 No 24101-5 of 25th June 95
 L. 145-94

The Dy Comr of Tumkur
 submits ~~the~~ ^{the} estimates of receipts
 of his District
~~and expenditure~~ under District
 Funds for 1895-96 at Rs 68.500
 as against Rs 66.850, the
 estimate for 1894-95 and Rs 70.099,
 the actuals of 1893-94. The
 estimates under all heads are
 fair and are accepted. The
 opening balance on 1st July 1895
 is entered at Rs 54.351 as
 against actuals of 78.854 of the
 year 1893-94 and the total
 assets for 1895-96 thus amount
 to Rs 1.22, 851. Deducting ^{the usual} ~~about~~
 25 per cent of this sum or Rs 30718,

the balance available for expenditure, is Rs 92.88, but as the total expenditure proposed (Rs 95.167) exceeds this ~~available balance~~, it is necessary to reduce the expenditure under some of the heads.

(2) Under "Public works to be executed by D. P. W.", there is a provision of Rs 16500 for original works, which include Rs ~~2000~~ ⁸⁰⁰⁰ for constructing mesāfankhānas in the marginally noted places, and Rs 2000 on account of contribution towards the cost of ^{wards for} In-patients ~~wards~~ to be added to ~~built on~~ the Dispensary buildings at Gumbel, Tiptur, Chennamakkahalli, Huliyār Gura and Pavagada. The attention of the D. Com is invited to Govt Pro dated 20, and pending the

1. Gura	Rs 2,000

submission of the standard
plan and other information
therein required, the construction
of the ^{proposed} Musafarkhanas will
be held in abeyance, and
the sum of Rs 2000 ^{required for} ~~proposed~~
~~the~~ ^{the} ~~wards~~ ⁱⁿ ~~the~~ ^{Impendents}
will be transferred to
"IX Contributions" under
Civil charges. The ~~estimate~~
~~was reduced~~ ^{to} Rs 100,000. The
provision for "Repairs" ^{service} ~~includes~~
Reserve of Rs 24,850 is said to be
needed on account of minor
works and repairs of III
Class Travellers Bungalows
and Musafarkhanas. ~~and~~
The amounts to be apportioned
between the ~~two~~ ^{two} classes of works
should be stated ^a ~~and~~ ~~report~~.
~~submitted as to whether the~~
~~latter works cannot be~~
~~undertaken by the Reserve~~
~~Department.~~ The provision
for establishments will be
reduced to Rs 54,450 in proportion
to the reduction under works.

(3) Under 'B Public works to be executed by Revenue Dep^y', a sum of Rs 7000 is included on account of Charades, Cart tracks, Bathing Ghat, Bridges on foot paths, which may from time to time be proposed by the Board. Such a general provision, without details or any explanation as to the necessity for each work, cannot be sanctioned. For the same reason, a lump sum provision of Rs 9000 made for fresh water wells, which may have to be sunk as occasion arises is also inadmissible. In lieu of the general ~~lump sum~~ ^{under these 2 items,} of Rs 16000, a reserve grant of Rs 3000 will be entered under the head 'V Reserve', to meet the cost of works urgently required, after obtaining sanction on detailed estimates.

Passing order, on the D. F. Budget Estimates of the Tanker (work) for 1895-96

- (1) Dobbapete Koutageri road
- (2) Lura Maddageri road
- (3) Chalus Hagelvadi Road

(4) The other works proposed are approved with the observation that the necessity for the increased rate of mileage ^{allowed} on account of the marginally noted roads should have been explained.

~~(5) The provisions for establishments will be reduced to Rs in proportion to the sums sanctioned for works.~~

Thus the total amount sanctioned under A & B Public works will be reduced from Rs 72868 to Rs 48,131

(5) Under civil charges the items newly entered are the following:—

Proceedings of the Government of Mysore,

READ :-

Letter dated 27th February and 4th March 1895, Nos. 733 and 746, from the Deputy Commissioner of the Tumkur District, submitting the District Fund Budget Estimates of the Tumkur Circle for 1895-96.

No. 24101-5—L. F. 145-94, DATED BANGALORE, 25TH JUNE 1895.

ORDER THEREON.—The Deputy Commissioner of Tumkur estimates the receipts of his District under District Funds for 1895-96 at Rs. 68,500 as against Rs. 66,850, the estimate for 1894-95, and Rs. 70,099, the actuals of 1893-94. The estimates under all heads are fair and are accepted. The opening balance on 1st July 1895 is entered at Rs. 54,351 as against actuals of Rs. 78,854 of the year 1893-94, and the total assets for 1895-96 thus amount to Rs. 1,22,851. Deducting the usual 25 per cent of this sum or Rs. 30,713, the balance available for expenditure is Rs. 92,138; but as the total expenditure proposed (Rs. 95,167) exceeds this sum, it is necessary to reduce the expenditure under some of the heads.

2. Under “(A) Public Works to be executed by the Public Works Dept.,” there is a provision of Rs. 16,500 for original works,

	Rs.	
1. Sira	2,000	which include Rs. 8,000 for constructing Musafarkhanas in the marginally noted places, and Rs. 2,000 on account of contribution towards the cost of wards for in-patients to be added to the Dispensary buildings at Gubbi, Tiptur, Chiknayakanhalli, Huliya, Sira and Pavagada. The attention of the Deputy Commissioner is invited to Government Proceedings, dated 29th March 1895, No. 15798-810—L.F. 144-94,
2. Nonavinkere	500	
3. Nagalmudike	500	
4. Huliya	2,000	
5. Huliya	3,000	
	8,000	

and pending the submission of the standard plan and other information therein required, the construction of the proposed Musafarkhanas will be held in abeyance, and the sum of Rs. 2,000 required for the wards for in-patients will be transferred to “IX Contributions” under Civil Charges. The Reserve of Rs. 2,485 is said to be needed on account of minor works, and repairs of III Class Travellers’ Bungalows and Musafarkhanas. The amounts to be apportioned between the two classes of works should be stated. The provision for establishments will be reduced to Rs. 5,445 in proportion to the reduction under works.

3. Under “(B) Public Works to be executed by Revenue Department,” a sum of Rs. 7,000 is included on account of chavadis, cart tracks, bathing ghats, bridges on foot paths, &c., which may from time to time be proposed by the Board. Such a general provision, without details or any explanation as to the necessity for each work, cannot be sanctioned. For the same reason, a lump sum provision of Rs. 9,000 made for fresh water wells, which may have to be sunk as occasion arises, is also inadmissible. In lieu of Rs. 16,000 under these two items, a reserve grant of Rs. 3,000 will be entered under the head “V Reserve,” to meet the cost of works urgently required, after obtaining sanction on detailed estimates.

4. The other works proposed are approved with the observation that the necessity for the increased rate of mileage allowed on

Proceedings of the Government of Mysore,
